No. Large Tents or EZ-Ups are prohibited in the show parking area.

*Explanation:* Our liability insurance does not cover large tents in the car show area. Large Tents or EZ-Ups can be picked by the wind easily and damage fine Mopars. Would you like a tent to fall and scratch or dent your show car? Or worse, come crashing down to earth on a loved one. Also tents take up much needed space in the show parking area.

We recommend you don't bring pets. If you have to, they MUST be leashed.

No. The car show field is for Mopar and Mopar Related Vehicles.

### **"Can I park my show car trailer overnight at show?"**

### **"Who puts on Spring Fling?"**

This seems like a crazy question, but we get it often. Chrysler Performance West car club members volunteer their time and effort to put on the Spring Flings for the past 30 plus years. Many members since the first show.

C.P.W. members start working on the next Spring Fling at the very next club meeting after the show. If you appreciate the show, please tell a C.P.W. member! He or she has put in a lot of effort for you to have a good time.
